

# Quadraporte

The Rapport QUADRAPORTE is a four-door, four-wheel-drive luxury vehicle based upon the rugged yet elegant British Range Rover. An extended chassis allows for major improvements in comfort and carrying capacity, with fully-dropping windows in the rear and significant extra leg room.

QUADRAPORTE, the ultimate in vehicle versatility, combines practical functions with perfect style.

Convenience through accessibility

Spacious leg-room

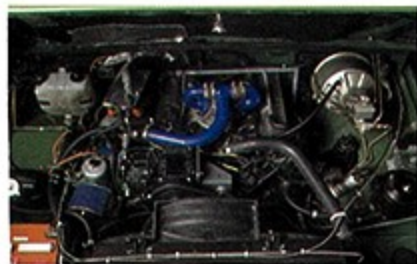

Handcrafted walnut fascia and central electronics module

Advanced technology digital dashboard

The breathtaking turbo

Sports wheel and tyre

Double-capacity fuel tank

Neatly fashioned rear air conditioning

Effortless automatic transmission

Powerful 4.4 litre Leyland engine

## Optional Equipment
